Secretary to the Government of His Highness the Maharaja of Mysore, General & Revenue Depts

Sir,

The accompanying sketch is a copy of the one sanctioned by the Municipality for the construction of a building for locating the Technical Institute attached to this School. The estimates amount to ₹ 37,456 As the donor Janopakari Mr Doddanna Setty has opened an orphanage in connection with this School and desires to maintain the same out of the income of his remaining property, I find it difficult to press on him to contribute further sums towards the construction of this building without doing away with his orphanage The technical Institute is the first of its kind in this City and is daily gaining very popular In consideration of the fact that no such building grant was applied for and given by Government in respect of the buildings now in existence, I request you will be kind enough to obtain the sanction of His Highness' Government to a building grant in a sum equivalent to the estimates herewith submitted

I beg to remain,

Sir,

Your most obedient servant,

D Venkatramaiya
